My soul went walkin but I stayed here
Feel like I been workin for a thousand years
Chippin away at this chain of my own lies
Climbin a wall a hundred miles high
Well I woke up this morning on the other side
Yeah yeah this is the long goodbye
Hey yeah this is the long goodbye

Same old faces it s the same old town
What once was laughs is draggin me now
Waitin on rain hangin on for love
Words of forgiveness from some God above
Ain t no words of mercy comin from on high
Yeah yeah just one long goodbye
Hey yeah this is the long goodbye

Well I went to leave twenty years ago
Since then I guess I been packin kind of slow
Sure did like that admirin touch
Guess I liked it a little too much

The moon is high and here I am
Sittin here with this hammer in my hand

One more drink oughta ease the pain

Starin at that last link in the chain

Well let s raise our glass and let the hammer fly

hey yeah this is the long goodbye

Hey yeah this is the long goodbye

Kiss me baby and we re gonna fly

Hey yeah this is the long goodbye

Yeah yeah this is the long goodbye

Hey yeah this is the long goodbye

Kiss me baby cause we re gonna ride

Yeah yeah this is the long goodbye
