Last night I stood at your doorstep
Trying to figure out what went wrong

You just slipped somethin into my palm

Then you were gone

I could smell the same deep green of summer
Above me the same night sky was glowin

In town I passed Sal s grocery
The barbershop on South Street

The veterans hall high up on the hill
Stood silent and alone

Em7

The diner was shuttered and boarded

G D

With a sign that just said gone

G

It s gonna be a long walk home
Hey pretty Darling, don t wait up for me

Gonna be a long walk home

Hey pretty Darling, don t wait up for me
