

Mansion On The Hill
Bruce Springsteen

[Intro]

D G D G D G D A7 D

[Verse 1]

D G D
There s a place out on the edge of town, sir,
G D
Risin above the factories and the fields
G D
Now, ever since I was a child, I can remember
A7 D
That mansion on the hill

[Verse 2]

D G D
In the day you can see the children playing
G D
On the road that leads to those gates of hardened steel
G D
Steel gates that completely surround, sir,
A7 D
The mansion on the hill

[Verse 3]

D G D
At night my daddy d take me and we d ride
G D
Through the streets of a town so silent and still
G D
Park on a back road along the highway side
A7 D
Look up at that mansion on the hill

[Verse 4]

D G D
In the summer all the lights would shine
G D
There d be music playin , people laughin all the time
G D
Me and my sister, we d hide out in the tall cornfields
A7 D
Sit and listen to the mansion on the hill

[Verse 5]

D G D
Tonight down here in Linden Town
G D

I watch the cars rushin by, home from the mill

G

D

There s a beautiful full moon rising

A7

D

Above the mansion on the hill
