Meet me at Mary s place

Familiar faces around me
Laughter fills the air
Your loving grace surrounds me
Everybody s here
Furniture s out on the front porch
Music s up loud
I dream of you in my arms
I lose myself in the crowd

Let it rain, let it rain
Let it rain, let it rain
Let it rain, let it rain

Let it rain

Meet me at Mary s place, we re gonna have a party

Meet me at Mary s place, we re gonna have a party

Tell me how do you live broken-hearted

Meet me at Mary s place

I got a picture of you in my locket

I keep it close to my heart

It s a light shining in my breast

Leading me through the dark

Seven days, seven candles

In my window lighting your way

Your favorite record s on the turntable

I drop the needle and pray (Turn it up)

Band s countin out midnight (Turn it up)

Floor s rumblin loud (Turn it up)

Singer s callin up daylight (Turn it up)

And waitin for that shout from the crowd

(Turn it up)

Waitin for that shout from the crowd (Turn it up)

Waitin for that shout from the crowd (Turn it up)

Waitin for that shout from the crowd (Turn it up)

Waitin for that shout from the crowd (Turn it up)

Waitin for that shout from the crowd

Turn it up, turn it up, turn it up

Turn it up, turn it up, turn it up, turn it up

Meet me at Mary s place, we re gonna have a party

Meet me at Mary s place, we re gonna have a party

Tell me how do we get this thing started

Meet me at Mary s place

Let it rain, let it rain, let it rain, let it rain, let it rain
