

**My Oklahoma Home**  
**Bruce Springsteen**

Capo on 2nd

**D** **G** **D**  
When they opened up the strip I was young and full of zip,  
**A**  
I wanted some place to call my home  
**D** **G** **D**  
And so I made the race, and I staked me out a place,  
**A** **D**  
And I settled down along the Cimarron

**G** **D**  
It blowed away, (BLOWED AWAY!), it blowed away, (BLOWED AWAY!)  
**A**  
My Oklahoma home, it blowed away  
**D** **G** **D**  
It looked so green and fair when I built my shanty there,  
**A** **D**  
But my Oklahoma home, it blowed away

**D** **G** **D**  
I planted wheat and oats, had some chickens and some shoats,  
**D** **A**  
Aimed to have some ham and eggs to feed my face  
**D** **G** **D**  
Got a mule to pull the plow, got an old red muley cow  
**D** **A** **D**  
And I also got a fancy mortgage on the place

**G** **D**  
It blowed away, (BLOWED AWAY!), it blowed away, (BLOWED AWAY!)  
**A**  
All the crops that I have planted blowed away  
**D** **G** **D**  
You can t grow any grain if you ainâ€™t got any rain;  
**A** **D**  
Everything except my mortgage blowed away

**D** **G** **D**  
It looked so green and fair, when I built my shanty there,  
**A**  
I figured I was all set for life  
**D** **G** **D**

I put on my Sunday best with my fancy scalloped vest

A D

And I went to town to pick me out a wife

G D

It blowed away, (BLOWED AWAY!), it blowed away, (BLOWED AWAY!)

A

My Oklahoma woman blowed away

D G D

Mister as I bent and kissed her, she was picked up by a twister;

A D

My Oklahoma woman blowed away

D G D

Then I was left alone just a-listenin to the moan

D A

â€˜the wind around the corners of my shack;

D G D

So I took off down the road when the south wind blowed,

A D

A-travelin with the wind upon my back

G D

It blowed away, (BLOWED AWAY!), it blowed away, (BLOWED AWAY!)

A

Chasin that dust cloud up ahead

D G D

Once it looked so green and fair, now it s up there in the air;

A D

My Oklahoma farm is over head

D G D

Now I m always close to home it donâ€™t matter where I roam,

A

For Oklahoma dust is everywhere

D G D

Makes no difference where I m walkin , I can hear my chickens squawkin

A D

I can hear my wife a-talkin in the air

G D

It blowed away, (BLOWED AWAY!), it blowed away, (BLOWED AWAY!)

A

My Oklahoma home blowed away

D G D

But my home is always near; it s up in the atmosphere,

A D

My Oklahoma home is blown away

**D** **G** **D**  
I m a roamin Oklahoman, but I m always close to home

**A**  
And I ll never get homesick until I die

**D** **G** **D**  
Cause no matter where I m found, my home is all around;

**A** **D**  
My Oklahoma home is in the sky

**G** **D**  
It blowed away,(BLOWED AWAY!), it blowed away, (BLOWED AWAY!)

**A**  
My farm down on the Cimarron

**D** **G** **D**  
But all around the world, wherever dust is swirled,

**A** **D**  
Thereâ€™s some from my Oklahoma home

**G** **D**  
It blowed away,(BLOWED AWAY!), it blowed away, (BLOWED AWAY!)

**A**  
My Oklahoma home is blown away

**D** **G** **D**  
Yeah it s up there in the sky in that dust cloud over nâ€™ by,

**A** **D**  
My Oklahoma home is in the sky

**A** **D**  
My Oklahoma home is in the sky
