Bb Bbsus Bb Fsus F
You get up every morning at the sound of the bell
Bb Bbsus Bb Fsus F
You get to work late and the boss man s giving you hell
Eb F Gm
Till you re out on a midnight run
Eb F Gm
Losing your heart to a beautiful one
Eb Gm
And it feels right as you lock up the house
Cm C Fsus F
Turn out the lights and step out into the night

Ab Bb Cm
And the world is busting at its seams
Ab Bb Cm
And you re just a prisoner of your dreams
Gm Cm
Holding on for your life `cause you work all day
C Fsus F Fsus F
To blow `em away in the night

Bb Bbsus Bb Fsus F
The rat traps filled with soul crusaders
Bb Bbsus Bb Fsus F
The circuits lined and jammed with chromed invaders
Eb F Gm
And she s so pretty that you re lost in the stars
Eb F Gm
As you jockey your way through the cars
Eb Gm

And sit at the light, as it changes to green

With your faith in your machine off you scream into the night

And you re in love with all the wonder it brings

And every muscle in your body sings as the highway ignites

You work nine to five and somehow you survive till the night

Hell all day they re busting you up on the outside

Tonight you re gonna break on through to the inside

And it ll be right,

it ll be right, and it ll be tonight

And you know she will be waiting there

And you ll find her somehow you swear

Somewhere tonight you run sad and free

Until all you can see is the night
