(Chords in relation to Capo)

E

E  
Well I Had the carburetor baby cleaned and checked  
with her line blown out she s hummin like a turbojet

A  
Propped her up in my backyard on concrete blocks

E  
for a new clutch plate and a new set of shocks

B  
Took her down to the carwash check the plugs and points well

E  
I m goin out tonight I m gonna rock that joint

E  
Early north Jersey industrial skyline  
I m an all set cobra jet creepin through the nighttime

A  
Gotta find a gas station, gotta find a payphone

E

This turnpike sure is spooky at night when you re all alone

B

Gotta hit the gas baby I m runnin late,

E

This New Jersey in the mornin like a lunar landscape

E  
Now the boss don t dig me so he put me on the nightshift  
Takes me two hour to get to where my baby lives

A

In the wee wee hours your mind gets hazy

E

Radio relay towers won t you lead me to my baby

B

Underneath the overpass trooper hits his party light switch

E

Goodnight good luck one two powershift

E  
I met Wanda when she was employed behind  
the counter at the route 60 Bobs Big Boy

A

Fried chicken on the front seat she s sittin in my lap

E

We re wipin our fingers on a Texaco roadmap

B

I remember Wanda up on scrap metal hill

E

with them big brown eyes that make your heart stand still
