I built a shrine in my heart, iasn t pretty to see
Made out of fool s gold memory and tears cried
Now I m headin over the rise
I m searchin for one clear moment of love and truth
I still got a little faith but what I need is some proof tonight
I m lookin for it in your eyes

Ain t no church bells ringing
Ain t no flags unfurled
Just me and you and the faith we re bringing into the real world
Into the real world

Ab Bb

Eb Bb
(killer guitar solo here)

Well tonight I just wanna shout
I feel my soul waist deep and sinking into this black river of doubt
I just wanna rise and walk along the riverside
Til the morning comes
I ll stand right by your side

I wanna find some answers I wanna ask for some help
I m tired of running scared baby let s get our bags packed
We ll take it here to hell and heaven and back
And if love is hopeless, hopeless at best
Come on put on your party dress, it s ours tonight
And we re goin with the tumblin dice

Ain t no church bells ringing
Ain t no flags unfurled
It s just me and you and the hope we re bringing into the real world
Well into the real world
Oh into the real world
