I built a shrine in my heart, iasn t pretty to see  
Made out of fool s gold memory and tears cried  
Now I m headin over the rise  
I m searchin for one clear moment of love and truth  
I still got a little faith but what I need is some proof tonight  
I m lookin for it in your eyes

Ain t no church bells ringing  
Ain t no flags unfurled  
Just me and you and the faith we re bringing into the real world  
Into the real world

Til the morning comes

I wanna find some answers I wanna ask for some help  
I m tired of running scared baby let s get our bags packed  
We ll take it here to hell and heaven and back  
And if love is hopeless, hopeless at best  
Come on put on your party dress, it s ours tonight  
And we re goin with the tumblin dice

Ain t no flags unfurled  
It s just me and you and the hope we re bringing into the real world  
Well into the real world  
Oh into the real world
