## Someday Well Be Together Bruce Springsteen

-By Jack-Intro G C G C

Your voice comes calling through the mist I awake from a dream and my heart begins to drift Tonight we re on our own

Tonight we re all alone C Am

-oh, to---night Oh

Someday we ll be together

G And the night will fall around us

This love will last forever

Someday we ll be together

Together

C

I can t sleep so I lay awake listenin to the sounds of the city below C

I get dressed and walk the streets but I got nowhere to go

Am

Tonight it s you I miss

Tonight my only wish is

G C Am Oh -oh, to---night

G

Someday we ll be together

And the night will fall around us

This love will last forever

D Someday you ll be mine Am

Tonight we re on our own

С

Tonight we re all alone

G C Am I

Oh -oh, to---night

G C

Someday we ll be together

Am G D

And the night will fall around  $\ensuremath{\mathsf{us}}$
