

**Stolen Car**

**Bruce Springsteen**

[Intro]

**G C G**

[Verse]

**G C G**  
I met a little girl and I settled down  
**G C G**  
In a little house out on the edge of town  
**G C G**  
We got married and swore we d never part  
**G C? G**  
Then little by little we drifted from each other s heart

[Verse]

At first I thought it was just restlessness  
That would fade as time went by and our love grew deep  
In the end it was something more I guess  
That tore us apart and made us weep

[Chorus]

**G C**  
And I m driving a stolen car  
**G**  
Down on Eldridge avenue  
**C**  
Each night I wait to get caught  
**G**  
But I never do

[Verse]

She asked if I remembered the letters I wrote  
When our love was young and bold  
She said last night she read those letters  
And they made her feel one hundred years old

[Chorus/Outro]

And I m driving a stolen car  
On a pitch black night  
And I m telling myself I m gonna be alright  
But I ride by night and I travel in fear  
That in this darkness I will disappear
