Verso 2:

Now I m wandering, a loser down these tracks  
 I m a liar, but babe I can t go back  
 Cause in the darkness I hear somebody call my name  
 And when you realize how they tricked you this time  
 And it s all lies but I m strung out on the wire  
 In these streets of fire

Verso 3:

I live now only with strangers  
I talk to only strangers  
I walk with angels that have no place  
And don t look me in my face  
Don t....????  
Cause I m strung out on the wire
