BRUCE SPRINGSTEEN:  
SURPRISE, SURPRISE  
From the Album: Working On A Dream

Capo on 2nd fret

**G** **D** **G**  
Well surprise, surprise, surprise

**C** **G** **D**  
Yea surprise, surprise, surprise

**G** **D** **Em**  
Well surprise, surprise, come on open your eyes

**C** **D**  
And let your love shine down

**G** **D** **G**  
Well surprise, surprise, surprise

**C** **G** **D**  
Yea surprise, surprise, surprise

**G** **D** **Em**  
Well surprise, surprise, come on open your eyes

**C** **D**  
And let your love shine down

**Bm** **Em**  
Well today is your birthday

**Am** **D**  
We traveled so far we two

**G** **Em**  
So let s blow out the candles on your cake

**C** **D**  
And we ll raise a glass or two

**Bm** **Em**  
And when the sun comes out tomorrow

**Am** **D**  
It ll be the start of a brand new day

**G** **Em** **C** **D**  
And all that you have wished for I know will come your way

**G** **D** **G**  
Well surprise, surprise, surprise

**C** **G** **D**  
Yea surprise, surprise, surprise

**G** **D** **Em**  
Well surprise, surprise, come on open your eyes

**C** **D**  
And let your love shine down

**Bm**                    **Em**                    **Am**                    **D**  
In the hollow of the evening, as you lay your head to rest  
**G**                    **Em**                    **C**                    **D**  
May the evening stars scatter a shining crown upon your breast  
**Bm**                    **Em**                    **Am**                    **D**  
In the darkness of the morning, as the sky struggles to light  
**G**                    **Em**                    **C**                    **D**  
May the rising sun caress and bless your soul for all your life

**G**            **D**            **G**  
Well surprise, surprise, surprise  
**C**            **G**            **D**  
Yea surprise, surprise, surprise  
**G**            **D**                    **Em**  
Well surprise, surprise, come on open your eyes  
**C**                                    **D**  
And let your love shine down

**G**            **D**            **G**  
Well surprise, surprise, surprise  
**C**            **G**            **D**  
Yea surprise, surprise, surprise  
**G**            **D**                    **Em**  
Well surprise, surprise, come on open your eyes  
**C**                                    **D**  
And let your love shine down (let your love shine down)  
**C**                                    **D**  
Let your love shine down (let your love shine down)  
**C**                                    **D**  
Let your love shine down  
**G**            **D**                    **Em**  
Surprise, surprise, come on open your eyes  
**C**                                    **D**  
And let your love shine down
