

**E** **D** **A**  
The thing in you that made me ache is gonna stay

**C#m7** **A** **D**  
We ll be riding the train without you tonight

**C#m7**  
The train that keeps on moving

**A** **D**  
Its black smoke scorching the evening sky

**C#m7** **A** **D**  
Millions of stars shining above us like every soul living and dead

**C#m7**  
It s been gathered together by God

**A** **D**  
Sing a hymn over your bones

**Asus4 A** **Asus4 A**  
Sun down, sun down

**Asus4 A** **Asus4 A**  
Empty are the fairgrounds

**D** **A**  
Where are you now handsome Billy?
