

**The Little Things My Baby Does**  
**Bruce Springsteen**

Nice easy tune to play along with on acoustic. Times shown are elapsed time from the start; tabbed by Marty Lurvey.

[Verse 1]

A	F#m	
The way she kisses so tenderly,		
A	D	
The way she gives her love to me,		
	E	
I been felt by the graces and angels up above,		
A		
The little things my baby does,		
The little things my baby does,		
	D	E
The little things my baby does,		
A	E	
That make me love her.		
		0:43

[Verse 2]

A	F#m	
The way she sighs when I hold her tight,		
A	D	
Good times and bad ill be alright.		
	E	
Faces on the street they push hard and they shove,		
	A	
Disappear with the little things my baby does		
The little things my baby does,		
	D	E
The little things my baby does,		
A	E	F
I know I love her.		
		1:24

[Bridge]

F#	B	F#
The soft summer breeze fills her every sigh,		
	E	
Her eyes are bluer than the summer sky.		
		1:40

[Verse 3]

( first 2 lines instrumental )

G	Em	
G	C	1:57

D

I been felt by the graces and angels up above,

G

The little things my baby does,  
 The little things my baby does,

C                      D

The little things my baby does,

G                      D

That make me love her.                      2:21

[Verse 4]

A                                      F#m

And when the night closes in,

A                                      D

I m drifting and I can t find a friend,

E

On the wings of the angels I m saved by her love,

A

The little things my baby does,  
 The little things my baby does,

D                      E

The little things my baby does,

A

That make me love her.                      3:00

[Outro]

A

The little things my baby does,

A

The little things my baby does,

A

The little things my baby does,      < fadeout >

A

The little things my baby does...      3:17
