Let your mind rest easy, sleep well my friend
It s only our bodies that betray us in the end
I awoke last night in a dark and dreamy deep
From my head to my feet, my body gone stone cold
There were worms crawling all around me
Fingers scratching at an earth black and six foot low
And alone in the blackness of my grave
Alone I d been LEFT TO DIE

Then I heard voices calling all around me
The earth rose above me, my eyes filled with sky
WE ARE ALIVE?

And though our bodies lie alone here in the dark

OUR SOULS & SPIRITS RISE?

To carry the fire and light the spark
To fight shoulder to shoulder and HEART?. TO HEART?
To stand shoulder to shoulder and HEART?. TO HEART?
C G???.Stop
WE ARE ALIVE !!!!
