

**When You're Alone**  
**Bruce Springsteen**

**F** **Bb** **F**  
Times were tough love was not enough  
**C** **F**  
So you said sorry Johnny I m gone gone gone

You said my act was funny  
**Bb** **F**  
But we both knew what was missing honey  
**C** **Bb**  
So you let out on your own

**F**  
Now that pretty form that you ve got baby  
**Bb** **C** **F**  
Will make sure you get along  
**Bb** **C** **F**  
But you re gonna find our someday honey

**Bb** **C** **F**  
When You re alone you re alone  
**Bb** **C** **F**  
When You re alone you re alone  
**Bb** **C** **F**  
When You re alone you re alone  
**Bb** **C** **F** **C**  
When You re alone you ain t nothing but alone

**F** **Bb** **F**  
Now I was young and pretty on the mean streets of the city  
**C** **F**  
And I fought to make em my home  
**Bb** **F**  
With just the shirt on my back I left and swore I d never look back  
**C** **Bb**  
And man I was gone gone gone

**F**  
But there s things that ll knock you down you don t even see coming  
**Bb** **C** **F**  
And send you crawling like a baby back home  
**Bb** **C** **F**  
You re gonna find out that day sugar

**Bb** **C** **F**  
When You re alone you re alone  
**Bb** **C** **F**  
When You re alone you re alone  
**Bb** **C** **F**  
When You re alone you re alone

**Bb** **C** **F** **C** | **Bb** | **Bb** | **Gm7** | **Gm7** | **C** | **C**  
 When You re alone you ain t nothing but alone

**F**  
 I knew some day your runnin would be through

**Bb** **F**  
 And you d think back on me and you

**C** **F**  
 And your love would be strong

**Bb** **F**  
 You d forget all the bad and think only of all the laughs that we had

**C** **Bb**  
 And you d wanna come home

**F**  
 Now it ain t hard feelings or nothin sugar

**Bb** **F**  
 That ain t what s got me singing this song

**Bb** **C** **F**  
 It s just nobody knows baby where love goes

**Bb** **C** **Dm**  
 But when it goes it s gone gone

**Bb** **C** **F**  
 When You re alone you re alone

**Bb** **C** **F**  
 When You re alone you re alone

**Bb** **C** **F**  
 When You re alone you re alone

 When You re alone you ain t nothing but alone

**Bb** **C** **F**  
 When You re alone you re alone
