

When You're Alone
Bruce Springsteen

F Times were tough love was not enough
Bb **F**
So you said sorry Johnny I m gone gone gone
C **F**

You said my act was funny
Bb **F**
But we both knew what was missing honey
C **Bb**
So you let out on your own

F
Now that pretty form that you ve got baby
Bb **C** **F**
Will make sure you get along
Bb **C** **F**
But you re gonna find our someday honey

Bb **C** **F**
When You re alone you re alone
Bb **C** **F**
When You re alone you re alone
Bb **C** **F**
When You re alone you re alone
Bb **C** **F** **C**
When You re alone you ain t nothing but alone

F **Bb** **F**
Now I was young and pretty on the mean streets of the city
C **F**
And I fought to make em my home
Bb **F**
With just the shirt on my back I left and swore I d never look back
C **Bb**
And man I was gone gone gone

F
But there s things that ll knock you down you don t even see coming
Bb **C** **F**
And send you crawling like a baby back home
Bb **C** **F**
You re gonna find out that day sugar

Bb **C** **F**
When You re alone you re alone
Bb **C** **F**
When You re alone you re alone
Bb **C** **F**
When You re alone you re alone

F
I knew some day your runnin would be through

Bb **F**
And you d think back on me and you

C **F**
And your love would be strong

Bb **F**
You d forget all the bad and think only of all the laughs that we had

C **Bb**
And you d wanna come home

F
Now it ain t hard feelings or nothin sugar

Bb **F**
That ain t what s got me singing this song

Bb **C** **F**
It s just nobody knows baby where love goes

Bb **C** **Dm**
But when it goes it s gone gone

Bb **C** **F**
When You re alone you re alone
