

Your Own Worst Enemy
Bruce Springsteen

E A
You can t sleep at night
E B
You can t dream your dream
E A
Your fingerprints on file
E B
Left clumsily at the scene

A E A E
Your own worst enemy has come to town
A E A C#m
Your own worst enemy has come|--- to town
E A
Yesterday the people were at ease
E B
Baby slept in peace
E A
You closed your eyes and saw her
E B
You knew who you were

A E A E
Now your own worst enemy has come to town
A E A
Your own worst enemy has come
A E B A
Your world keeps turnin round and round
E B
But everything is upside down
A E A C#m
Your own worst enemy has come|--- to town

A
There s a face you know
E
Staring back from the shop window
A
The condition you re in
E
Now you just can t get out of this skin

C#m B A
Ahhh Ahhh Ahhh } x3
C#m
Ahhhhhhhhhhh...
B

Ahhhhhhhhhhhhhh...

A

Ahhhhhhhhhhhhhh...

B

E

A

The times they got too clear

E

B

So you removed all the mirrors

E

A

Once the family felt secure

E

B

Now no one s very sure

A

E

A

E

Your own worst enemy has come to town

A

E

A

Your own worst enemy has come

C#m **B**

Everything is fallin down

A

E

A

E

Your own worst enemy has come to town

A

E

A

Your own worst enemy has come

C#m **B**

Everything is fallin down

A

E

A

E

Your own worst enemy has come to town

A

C#m

Your flag it flew so high

A

C#m

It drifted into the sky

Instrumental w/Saxaphone: **A E A E**
