**E7** **E6** **E7** **E6**  
I never would ve thought, that it could hurt like this  
**E7** **E6** **E7** **E6**  
hanging from the cross, for the world s sins

**A2** **B2** **A2** **B2**  
the better times you ll miss, better times than this

chorus:

**C#m** **A2**  
so stay awake; stay awake and watch for me  
**C#m** **A2**  
stay awake, stay awake dont fall asleep  
**C#m** **A2**  
stay awake, stay awake and watch for me  
**F#m A2**  
stay awake.....at Gethsemane

**E7** **E6** **E7** **E6**  
does silver weigh you down, or did you spend it all?  
**E7** **E6** **E7** **E6**  
its not freedom that you found, rather, a wall  
**A2** **B2** **A2** **B2**  
the better times you ll miss, betrayed me with a kiss

-----

**C#m** **A2 C#m** **A2**

**C#m** **A2 C#m** **A2**
