C	Am
Many years ago, in a house on Eden road	
lived a girl you may know...oh	

G	Am
We were young but we had such love	
too few can understand	
A love that was more than love	
me and my Sarah Anne	

C	Am
The only wish she'd keep, was to love and be loved by me	
laying naked by the sea...oh, you should've seen	
[chorus]	
[INTRO]	

C	Am
We loved so f*c*i*g much, that the angels from above	
became envious of us...and, thus	
Micahel-the archangel, with his mighty arm and bow	
shot an arrow through her heart, leaving me alone	
[CHORUS]
