Stage Five Clinger Brudadoug

song: Stage Five Clinger band: bruda doug transcribed by: Pam Steele this song begins with a guitar solo, but I only play accoustic, so good luck.---I do know that its the chorus chords used for the rythum, though!!! chorus: when you ve got a clinger, you ve got to leave her when you ve got a clinger- you know.... when you ve got a clinger, you ve got to leave her well, we ve got a clinger, lets go! VERSE: I never meant, to make you so C D attached to me you had С D to hold me tight, and not let me go I had to let you know oh that: [chorus] **VERSE:** C D I hope that you ve, learned to love C in a way that you ll both know That while you both are together, love you ll still leave some room for growth
