

**All She Knows**  
**Bruno Mars**

**Em** **G**  
Once again you re home alone  
**D**  
Tears running from your eyes  
**C**  
And I m on the outside  
**Em** **G**  
Knowing that you re all I want  
**D**  
But I can t do anything  
**Am**  
I m so helpless baby

**Em**  
She knows better but  
**G**  
She can t help it  
**D**  
Wanna tell her  
**C**  
But would that be selfish  
**Em**  
How do you heal  
**G** **D**  
A heart that can t feel, it s broken

**C** **Em** **G** **D**  
His love is all she knows, all she knows, all she knows  
**C** **Em** **G** **D**  
His love is all she knows, all she knows, all she knows
