I ll be playing basketball with the president.

Dunking on his delegates.

C#

Then I compliment on his political etiquette.

F#m

Toss a couple milli in the air just for the heck of it

E

But keep the fives, twentys, tens, and bens completely separate

And yeah I ll be in a whole new tax bracket

We in recession but let me take a crack at it

I ll probably take whatevers left and just split it up

So everybody that I love can have a couple bucks

And not a single tummy around me would know what hungry was

Eating good sleeping soundly

I know we all have a similar dream

Go in your pocket pull out your wallet

And put it in the air and sing
