

Move On

Bruno Mars

[Intro] **Bm G Bm G**

[Verse 1]

Bm **G**
How Do I End Up In The Same Old Place,
Bm **G**
Faced Again With The Same Mistakes,
Bm **G**
So Stubborn Thinkin I Know What Is Right,
Bm **G**
But Life Proves Me Wrong Everytime,
Edim7 **A7**
Takin Roads That Lead Me Nowhere,
Edim7 **A7**
How Do I Expect To Get There,
Bm **G**
But When Will I Learn To Just Put You First.

[Chorus]

D **G**
I Come To You Now When I Need You,
D **G**
But Why Do I Wait To Come See You,
Bm **G**
I Always Try To Do This On My Own
Edim7 **A7**
But I Was Wrong Cause Only With You

Bm **G**
Can I Move On?
Bm **G**
Can I Move On?

[Verse 2]

Bm **G**
When I Am Weak It s You That Makes Me Strong,
Bm **G**
And I Know That You ve Been With Me All Along,
Bm **G**
So Many Times I Begin To Close My Eyes And Listen To My Heart,
Bm **G**
With You Life Is So Easy Why Do I Make It Hard?

Edim7 **A7**
Takin Roads That Lead Me Nowhere,
Edim7 **A7**
How Do I Expect To Get There,

Bm **G**
But When Will I Learn To Just Put You First?

[Chorus]

D **G**
I Come To You Now When I Need You,

D **G**
But Why Do I Wait To Come See You?

Bm **G**
I Always Try To Do This On My Own
Edim7 **A7**
But I Was Wrong Cause Only With You

Bm **G**
Can I Move On?

Bm **G**
Can I Move On?

[Chorus]

D **G**
I Come To You Now When I Need You,

D **G**
But Why Do I Wait To Come See You,

Bm **G**
I Always Try To Do This On My Own
Edim7 **A7**
But I Was Wrong Cause Only With You

Bm **G**
Can I Move On?

Bm **G**
Can I Move On?
