

**Today My Life Begins**  
**Bruno Mars**

**G** **C**  
I ve been working hard so long  
**Em** **D**  
seems like pain has been my only friend  
**G** **C**  
my fragile heart s been done so wrong  
**E**  
i wondered if I  
**D**  
I d ever heal again  
**G** **C** **E** **D**  
oh just like all the seasons never stay the same  
**G** **C** **D**  
all around me i can feel a change (oh)  
**G** **C** **E**  
i will break these chains that bind me, happiness will find me  
**D** **G** **D**  
leave the past behind me, today my life begins  
**G** **C** **E** **D**  
a whole new world is waiting it s mine for the taking  
**G** **C** **G** **D**  
i know i can make it, today my life begins

repeat he cords (**G,C,Em,D**)  
yesterday has come and gone  
and I ve learn how to leave it where it is  
and i see that i was wrong  
for ever doubting i could win  
**G** **C**  
life s to short to have regrets  
**Em** **D**  
so I m learning now to leave it in the past and try to forget  
**G** **C**  
only have one life to live  
**C** **D**  
so you better make the best of it

ENDING part...

(**G,C,Em,D**)  
i will break these chains that bind me, happiness will find me  
leave the past behind me, today my life begins  
a whole new world is waiting it s mine for the taking  
i know i can make it, today my life begins  
today my life begins...
