

**I Believe In Love**  
**Bruno Portinho**

Intro: **Dm7 Dm/C Dm / Bb**

Im not a stranger  
I m feeling this song  
this is my soul  
I m not a dreamer  
I believe in a better place  
And i believe in love i believe in the future  
Don t look at the world whit tired eyes  
There s a paradise inside you  
REFRÃO 2 vezes  
There are so many things that you do  
You can change the world  
you can change yourself

Im not a loser  
but i m not a champion too  
maybe i m a dreamer  
maybe i m a winner  
maybe i m a beginner  
but i believe in love  
i believe in the future  
Don t look at the world whit tired eyes  
There s a paradise inside you
