## A Little Love Bryan Adams

```
*C*
E-----
B-----0----
G----0----0-----0-----
D----2----3-----2----0-----
A-----
E-----
above sequence is being repeated a number of times throughout the song
and the same is connected to another sequence F as......
 *F*
E----1----1-----1
B-----1----1-----1
G----3----3-----3
D----3-----
A-----
E-----
The song is pretty simple. Only basic chords are used like C, F, G....
The song goes as under.
Intro: *C* (the sequence is repeated)
*C*
                                                      *C*
  some people walk the straight and narrow - some walk the rocky road
  some get the silver spoon and some get the heavy load
           *F*
  there s a man in a paper box he smiles whenever we walk by
                                                            *C*
  we just walk a little faster and say there but for the grace of God go i
                              Αm
                                             CFC
                                                               C
  but a little love - just a little love - a little
                                             love
                                                   can change it
all
*()*
                                                    *C*
  i ve been up and down this highway and i ain t seen a road sign yet
*C*
  it s a cold hard world baby you gotta hang on to what you get
  well i don t believe in miracles but that don t mean they don t come true
        *C*
  well i may not get to heaven but i get a little closer when i m with you
                              Αm
                                             C F C
  but a little love - just a little love - a little
                                             love
                                                   can change it
all
  (yeah)
  well i get a little tired walkin down the street
```

```
*F*
  people on my side - everyone i meet
  but they don t know what s on my mind
  and they don t know that they might find
                                                CFC
  a little love - just a little love - a little love can change it all
*C*
                                                                *C*
  right when you think you don t need love is when you need it most
  if you got the father the son and the holy ghost
  well there s more to truth baby than what we know is true
         *C*
*C*
  ya we wander round in the darkness but every now and then a little light
shines thru
                G
                                                      CFC
                                                                    G
                                    Am F
  and a little love - just a little love - a little love can change it all
```
