

Christmas Time  
Bryan Adams

B Ebm G#m B  
We waited all through the year  
E F#  
for the day to appear  
B Eb7 G#m G#m7 F#  
when we could be together in harmony  
B Ebm G#m B  
You know the time will come  
E F#  
peace on earth for everyone  
B Eb7 G#m G#m7 C#m F#  
and we can live forever in a world where we are free  
C#m F#  
let it shine for you and me  
B  
There s something about Christmas time  
E  
something about Christmas time  
B F#  
that makes you wish it was Christmas everyday  
B  
To see the joy in the children s eyes  
E  
the way that the old folks smile  
B F# B  
says that Christmas will never go away

We re all as one tonight  
makes no difference if you re black or white  
cause we can sing together in harmony  
I know it s not too late  
the world would be a better place  
if we can keep the spirit more than one day in the year  
send a message loud and clear  
Repeat Chorus:

F# B  
It s the time of year when everyone s together  
F# B  
we ll celebrate here on Christmas day  
G#m  
when the ones you love are there  
C#7 F# E  
you can feel the magic in the air  
Ebm F#

you know it s everywhere

**B**

There s something about Christmas time

**E**

something about Christmas time

(Shift the chords one tone higher: **C#**)

There s something about Christmas time

something about Christmas time

that makes you wish it was Christmas every day

To see the joy in the children s eyes

the way that the old folks smile

says that Christmas will never go away

Repeat chorus

Please tell me Christmas will never go away
