Bryan Adams

Verso 1:
```
Ebm                 C#
I can t believe this moment s come
G#m                   B
It s so incredible that we re alone
Ebm                          C#
There s so much to be said and done
G#m                         B
It s impossible not to be overcome
Ebm                          C#
Will you forgive me if I feel this way
G#m                        B
 cause we ve just met - tell me that s OK
Ebm                  C#
