Hey Elvis
Bryan Adams
Hey Elvis won t cha come back home
I left a message on your code-a-phone
I tried to reach ya but I can t get through
D N.C.
Hey Elvis where the hell are you?
Somebody saw you at the shopping mall
Somebody said they heard that Southern drawl
Hey Elvis is it really true
We re all waitin for a sign from you
Everybody knows about your pink Cadilac
Everybody s wonderin when you re comin back
Everbody s waitin just to hear ya sing
Hey Elvis, You re still the king.
Hey Elvis won t cha come back soon
Nobody s rockin in the jungle room
Come December don t know what we 11 do
Be a blue Christmas without you
Everybody knows about your pink Cadilac
Everybody s wonderin when you re comin back
Everbody s waitin just to hear ya sing
Hey Elvis, You re still the king
