Intro: C Am F G

I ve been down, I ve been beat, I ve been so tired I could not speak.  
 I ve been so lost that I could not see, I wanted things that were out of reach,  
 Then I found you and you helped me through, yeah you showed me what to do,  
 And that s why, I m coming back to you.....  
 Yeah, like a star that guides a ship across the ocean,  
 That s how your love can take me home, back to you.  
 And if I wish upon that star, someday I ll be where you are,  
 And I know that day is coming soon....., yeah,  
 I m coming back to you.. (Slide Lead)  
 Been alone, just did not show it, been in pain, but I did not know it,  
 You let me do what I needed to, you were there when I needed you.  
 But I let you down & I messed u round, but u never changed point of view  
 And that s why, I m coming back to you.....  
 yeah, like a star that guides a ship across the ocean,  
 That s how your love can take me home, back to you.....  
 And if I wish upon that star, someday  
 I ll be where you are,  
 And I know that day is coming soon.....  
 Yeah, I m coming back to you..... (Slide Lead)
