I Think About You
Bryan Adams
Cifrado pôr: Gabriel F. Alves
INTRO:
a----7---5------
Е----5---3--3-
                               -> Gm
G
                  C
    I oughta be workin
D
                    G
    But I can t concentrate
 G
                     С
    I oughta be sleepin
    D
                         G
     Steada stayin up late
                                                                       G
 G
                            С
                                                          D
     When I oughta be doing all the things I should do
     С
     I think about you
                                       a-----7---5------
             Guitar II
                                           E----5---3--3-
G
                   С
  I oughta be writin
D
                          G
  But I can t find the song
G
                         C
  Just sittin here driftin
 D
               G
  Driftin along
                                              G
G
                C
                            D
  There s only one thing that I wanna do
  С
   And that s think about you
  CHORUS
                         G
D
                                         С
   I think about you - I can t get no rest
D
                         G
                                         С
   I think about you - there ain t no one else
D
                         G
                                          С
   It s all I can do - I can t help myself
 С
  Ya - I think about you
PASSAGEM: G C D G
```

G С I could go cruisin D G But I ve had enough G С I could go drinkin D G But I can t stand the stuff G C D G It just don t do me like it used to do С I d rather think about you CHORUS SOLO
