## I Thought Id Seen Everything Bryan Adams

```
Verso 1:
I like the way we are -
I love what we ve become
When I m in your arms -
I know I ve found the one
I love your kiss me mouth -
and your static touch
It?s just the way you are -
that makes me feel so much
Verso 2:
No one could ever know -
what we re like alone
Rollin round like rain -
we re a midnight storm
Like a river rising -
I feel it thru your skin
When we re together -
I never want it to end
Chorus:
Oh, I thought I d seen everything -
til I saw you
I thought I d been everywhere -
                 Am C
til I d been with you
             D
                     Αm
```

```
I thought that everyone
knew what I knew
I thought I d seen everything -
til I saw you
Verso 3:
I like the way we are -
like a raging fire
Burning up the night,
burning with desire
You re such a sweet temptation -
you know I can t resist
Electricity, hey every time we kiss
Repeat chorus:
Oh, I thought I d seen everything -
til I saw you
                  G
I thought I d been everywhere -
                 Am C
til I d been with you
      D Am
I thought that everyone
          C
knew what I knew
                D
I thought I d seen everything -
   D G
til I saw you
Instrumental (verse chords):
Repeat chorus:
I thought I d seen everything -
         Am C
til I saw you
I thought I d been everywhere -
til I d been with you
             D
I thought that everyone
```

C

knew what I knew
