I Thought Id Seen Everything
Bryan Adams

Verso 1:
G#
I like the way we are -
G#
I love what we ve become
G#
When I m in your arms -
G#
I know I ve found the one
G#   **C#**
I love your kiss me mouth -
                 Eb
and your static touch
                        G#
It?s just the way you are -
                        F#
that makes me feel so much

Verso 2:

G#
No one could ever know -
G#
what we re like alone
G#
Rollin round like rain -
G#
we re a midnight storm
G#   **C#**
Like a river rising -
                  Eb
I feel it thru your skin
         G#
When we re together -
              F#
I never want it to end

Chorus:
                      G#   **Eb**
Oh, I thought I d seen everything -
       Bbm C#
til I saw you
                  G#   **Eb**
I thought I d been everywhere -
               Bbm C#
til I d been with you
G#   **Eb**   **Bbm**

```
I thought that everyone
            C#
knew what I knew
Bbm                 Eb          Bbm
I thought I d seen everything -
     Eb     G#
til I saw you

Verso 3:

G#
I like the way we are -
G#
like a raging fire
G#
Burning up the night,
G#
burning with desire
G#                      C#
You re such a sweet temptation -
                   Eb
you know I can t resist
       G#                        F#
Electricity, hey every time we kiss
Repeat chorus:
                      G#          Eb
Oh, I thought I d seen everything -
         Bbm  C#
til I saw you
                     G#          Eb
I thought I d been everywhere -
                 Bbm  C#
til I d been with you
G#               Eb        Bbm
I thought that everyone
            C#
knew what I knew
Bbm                 Eb          Bbm
I thought I d seen everything -
     Eb     G#
til I saw you
Instrumental (verse chords):
Repeat chorus:
                     G#          Eb
I thought I d seen everything -
         Bbm  C#
til I saw you
                     G#          Eb
I thought I d been everywhere -
                 Bbm  C#
til I d been with you
G#               Eb        Bbm
I thought that everyone
```

```
              C#
knew what I knew
Bbm                      Eb           Bbm
I thought I d seen everything -
      Eb       G#
til I saw you
Outro: G#
```
