

## I Was Only Dreaming

Bryan Adams

**G**

She left her shoes out on the beach,

**Em**

She left my dreams just out of reach,

**C**

She left her footprints in the sand,

**D**

She was a bird right in the hand.

**G**

I met a girl that made me laugh,

**Em**

She left a faded photograph,

**C**

I thought I heard a siren song ,

**D**

**Em**

I sang along but I was...

**Em**

**Am**

I was only dreaming

**Em**

**Am**

I was only dreaming,

**C**

**G**

Visions in my head

**C**

Talking in my sleep

**G**

Turning in my bed

**C**

Life was so complete

**G**

Her shoes were on the beach

**B**

**Em**

But I was only dreaming

**G**

I met a girl that talked in rhyme,

**Em**

I met a girl who took her time,

**C**

I saw the ocean in her eyes,

**D**

I saw myself unrecognized.

**G**

And all the stars up in the sky,

**Em**

Fell down like rain and made me cry,

**C**

I held the world right in my hands,

**D**

**Em**

I held her close but I was...

**Em**

**Am**

I was only dreaming

**Em**

**Am**

I was only dreaming,

**C**

**G**

Visions in my head

**C**

Talking in my sleep

**G**

Turning in my bed

**C**

Life was so complete

**G**

Her shoes were on the beach

**B**

**Em**

But I was only dreaming
