

**Ill Always Be  
Bryan Adams**

Date: Fri, 20 Mar 1998 14:55:15 -0500  
From: Adrian Beattie (by way of cal woods)  
Subject: TAB: a/adams\_bryan/I ll always be right there

Written by: B. Adams, M. Kamen, R.J. Lange  
Transcribed by: ADRIAN BEATTIE (Magherafelt)  
Thanks to Niall Kielt for the lone of his CD, and Dingle  
for not laughing when I showed him a rough draft (but your  
still a skinny fool).

Send any problems, complaints, praise to: B9737137@\*

NOTE: You may notice that some of the tab doesn't line up with the  
chords, sometimes the tab indicates playing the notes of a chord  
before the chord change. Don't worry I'm right, listen to it  
yourself just in case it's too confusing (as this is my first  
transcription it probably will be). Beautiful song, full credit to  
Keith S. and Bryan A.

/ is slide  
h is hammer on  
p is pull off  
d is dampen  
( ) is Ghost note

CHORD DEFINITIONS:

D/F#	E/G#	A/C#	Fm
X04232	422100	X42220	244222

d!		X	XX
-----		-----	
1st fret			
111111 (bar)	This is a C shaped bar chord	11	
2	which can be simplified when		
3	playing the tab to...	2	
4     5th fret		4	

but if your just strumming chords use the normal D (a hell of a  
lot easier).
