F#                    Ebm                    E  
I'd like to see you, thought I'd let you know  
G#m                    B                    F#  
I wanna be with you everyday  
F#                    Ebm                    E  
Cause I've got feeling that's beginning to grow  
G#m                    B                    C#9  
And there's only one thing I can say  
          F#            A B F#  
I'm ready - to love you  
          C#m        E            B  
I'm ready - to hold you        (2x)  
          B  
I'm ready as I'm gonna be

F#                    Ebm                    E  
You left me a long note when you left me here  
G#m                    B                    F#  
Told me that love was hard to find  
F#                    Ebm                    E  
But baby it's easy and I'll make it clear  
G#m                    B                    C#9  
That there's only one thing on my mind

          F#            A B F#  
I'm ready - to love you  
          C#m        E            B  
I'm ready - to hold you        (2x)  
          B  
I'm ready as I'm gonna be
