The song is pretty simple. Only basic chords are used like C, F, G.... The song goes as under.

A little love -- bryan adams

Intro: *C* (the sequence is repeated)

C

C

some people walk the straight and narrow - some walk the rocky road

C

C

some get the silver spoon and some get the heavy load

F

F

there s a man in a paper box he smiles whenever we walk by

C

C

we just walk a little faster and say there but for the grace of God go i

but a little love - just a little love - a little love can change it all

C i ve been up and down this highway and i ain t seen a road sign yet *C*

C it s a cold hard world baby you gotta hang on to what you get *C*

F well i don t believe in miracles but that don t mean they don t come true *F*

C well i may not get to heaven but i get a little closer when i m with you *C*

but a little love - just a little love - a little love can change it all

(yeah)

F well i get a little tired walkin down the street

F people on my side - everyone i meet

C but they don t know what s on my mind

C and they don t know that they might find

a little love - just a little love - a little love can change it all

C right when you think you don t need love is when you need it most *C*

C if you got the father the son and the holy ghost *C*

F well there s more to truth baby than what we know is true *F*

C *

ya we wander round in the darkness but every now and then a little light
shines thru

G **Am F** **C F C** **G** **C**
and a little love - just a little love - a little love can change it all
