```
B         G#m          Ebm
    One world, one flame

And it s burnin  inside you
B         G#m          Ebm
    One heart, one dream

It ll be there beside you
E                    Em
    In your finest hour

B          G#m          Ebm
      Come rain, come shine

This is your story
B         G#m          Ebm
    It s yours and mine

On the road to glory
E                    Em
    In your darkest hour
    B                    C#
Dig deep and feel the power
        C#m                        Em
Cuz you re doin  it your way...
                 B
One world, one flame

B         G#m          Ebm
     One world, one flame

To burn the brightest
B         G#m          Ebm
    One heart, one dream
```

```
To climb the highest
E                           Em
       In your finest hour
B                           C#
Dig deep and feel the power
           C#m                        Em
Cuz you re doin  it your way...
                  B
One world, one flame

G#m              Ebm
                        Yeah it s burnin  inside you
B             G#m           Ebm                      B
                             One world, one flame
B             G#m           Ebm                      B
                             One world, one flame
