```

```
             B                F#              B     B5   B
 It still feels like our first night together
 F#                             G#m
 Feels like the first kiss     and it s getting better, baby
 F#           E
 No one can better this
 B                                           F#
 You re still holding on, you re still the one
 B                         Eb
 The first time our eyes met,  same feeling I get
 G#m                        Eb
 Only it feels much stronger,  I wanna love you longer
 B                     F#
 You still turn the fire on
```

Ponte:

```
    B          G#m    B       E
 So if you re feeling lonely, don t
 F#                            B
 You re the only one I ever want
       G#m    B       E
 I only wanna make it go
 F#                          G#m           E
 So if I love you a little more than I should...
```

Refrão:

```
            B           B5                 B
 Please forgive me, I know not what I do
          G#m
 Please forgive me, I can t stop loving you
         E          E5               E
 Don t deny me this pain I m going through
            B           B5                 B
 Please forgive me, if I need you like I do
          F#
 Please believe me, for what I say is true
```

```
   E            B               F#
   Please forgive me, I can t stop loving you

Instrumental: B  F#  G#m  F#

         B                F#              B    B5   B
   Still feels like our best time together
   F#                              G#m
   Feels like the first touch,   we re still getting closer, baby
   F#            E
   Can t get close enough
   B                                             F#
   You re still holding on, you re still number one
   B                               Eb
   I remember the smell of your skin,  I remember everything
   G#m                      Eb
   I remember all your moves,  I remember you, yeah!
   B                               F#
   I remember the nights, you know I still do

   Ponte:

     B           G#m     B       E
   So if you re feeling lonely, don t
   F#                            B
   You re the only one I ever want
        G#m     B       E
   I only wanna make it go
   F#                         G#m          E
   So if I love you a little more than I should...

         B             B5               B
   Please forgive me, I know not what I do
          G#m
   Please forgive me, I can t stop loving you
          E         E5               E
   Don t deny me this pain I m going through
            B             B5               B
   Please forgive me, if I need you like I do
            F#
   Please believe me, for what I say is true
   E         B        F#
   Please forgive me, I can t stop loving you

( E )

   F#                       E B                      E
   One thing I m sure of,   is the way we made love
   F#                         E B                       E
   One thing I m in pain now,   is for us to stay strong
   G#m                             E
```

```
With every ride and every bus I m prayin
                    F#
That s why I m saying...
