F            Bb            F            Bb  
She got the brains, she got the looks,  
F                    Bb                    C  
She knows all the right people, reads all the right books.  
F            Bb            F            Bb  
She s got my name, she s got my number,  
F            Bb                    C  
But what she see s in me, I sometimes wonder.

          F            C            Bb  
She s a little too good for me,  
          F            C            Bb  
She s gonna change me if I let her.  
          F            C            Bb  
She s a little too good for me,  
                  F    C    Bb  
But I m getting better...

F            Bb    F            Bb  
I m just a guy, I m just me,  
F                                    Bb                                    C  
I m happy with my feet up on the table, in front of my tv.  
F            Bb            F            Bb  
We re world s apart, we re night and day,  
F                    Bb                    C  
She s dinner by candle light, I m just a take-a-way.

          F            C            Bb  
She s a little too good for me,  
          F            C            Bb  
She s gonna change me if I let her.  
          F            C            Bb  
She s a little too good for me,  
                  F    C    Bb  
But I m getting better...

F            Bb    F            Bb

She s says, I do something to her

F                    Bb    F            Bb C

All her friends say, I m a loser
