verse 1

E

Well I made up my mind

A

Not gonna let you get away

E

Yeah, to think that I m the lucky guy

A

Well, I ve almost got it made

Pre-Chorus

C#m

Cause it s been so long since I ve felt so strong

A

About anyone at all

C#m

I get so excited, I ain t gonna fight it

B

I think I might be fallin in love

Chorus

E

A

So come on, let s get it right

B

A

(Get it right) Oh, cause you re the only one

E

A

Come on, we ain t got all night

B

A

(Got all night) Yeah, cause you re the only one now

verse 2

E

Last night

A

Well I thought you mighta stayed

E

If I d a had the guts I woulda pushed my luck

A

But then you mighta turned away

Pre-Chorus 2

C#m

Oh, how do I explain, I know it sounds insane

A

But I ve been through this before

C#m

In just a matter of time, you could change your mind

B

You could turn and walk right through that door

E

A

So come on, let s get it straight

B

A

(Get it straight) Cause you re the only one

E

A

Come on, I just can t wait

B

A

(Just can t wait) Yeah, cause you re the only one now
