I heard that you re leavin - this sleepy little town				
The bright lights must have caught your eye cuz you ain t hangin round				
Ya know people been talkin - they say you re makin a mistake				
Gotta get on that greyhound and forget about what they say

I ve heard bad things about the city and i m told that they re true				
Better watch out for those guys out there they re gonna hit on you				
So don t talk to no strangers - no it ain t your style				

Don't give up when the chips are down - just turn around and smile
