

Yesterday Was Just A Dream

Bryan Adams

Verse

Am

Lock the door and close the curtain

C

No more lies, I m tired of hurtin

G

D

I think you know what I mean

Am

There s an empty sound that lonely makes

C

Don t know how much more that I can take

G

D

And yesterday was just a dream

Am

C

Yesterday was just a dream

G

D

Nothin s ever what it seems

Am

C

Tomorrow s comin - it won t be long

G

D

Yesterday is here and gone

Instrumental: Am C G D

Verse

Am

Words tumble out like an open book

C

While the world was turning, something shook

G

D

From a whisper to a scream

Am

Rain s beatin down on the window pane

C

Makes me wonder about you again

G

D

And yesterday was just a dream

Am C
Yesterday was just a dream
G D
Nothin s ever what it seems
Am C
Tomorrow s comin - it won t be long
G D
Yesterday is here and gone

Bridge

Am
Tell me what s it for, this life we re living
C
The world is cold and unforgiving
G D
And your smile is so serene

Am C
Yesterday was just a dream
G D
Nothin s ever what it seems
Am C
Tomorrow s comin - it won t be long
G D
Yesterday is here and gone

Outro

Am C G
Ma, it s here and gone
