

All Along The Watchtower
Bryan Ferry

Written by Bob Dylan. This is legend, Bryan Ferry s version.

Ebm	G#	F#	G#	Ebm
				There must be some kind of way out of here
Bbm	G#	F#	G#	Bbm
				Said the joker to the thief
Ebm	G#	F#	G#	Ebm
				There s too much confusion
Bbm	G#	F#	G#	Bbm
				I can t get no relief
Bbm	G#	F#	G#	Bbm
				Business men they drink my wine
Bbm	G#	F#	G#	Bbm
				Plow men dig my earth
Ebm	G#	F#	G#	Ebm
				None of them along the line
Ebm	G#	F#	G#	Ebm
				Know what any of it is worth
Bbm	G#	F#	G#	Bbm
				No reason to get excited
Ebm	G#	F#	G#	Ebm
				The thief he kindly spoke
Ebm	G#	F#	G#	Ebm
				There are many here among us
Bbm	G#	F#	G#	Bbm
				Who feel that life is but a joke
Bbm	G#	F#	G#	Bbm
				But you and I we ve been through that
Ebm	G#	F#	G#	Ebm
				And this is not our fate
Ebm	G#	F#	G#	Ebm
				So let us stop talking falsely now
Bbm	G#	F#	G#	Bbm
				The hour s getting late
Ebm	G#	F#	G#	Ebm
				All along the watchtower
Ebm	G#	F#	G#	Ebm
				Princess kept the view
Bbm	G#	F#	G#	Bbm
				While all the women came and went
Bbm	G#	F#	G#	Bbm
				Barefoot servants too
Ebm	G#	F#	G#	Ebm
				Outside in the cold distance
Ebm	G#	F#	G#	Ebm
				A wildcat did growl

Bbm	G#	F#	G#	Bbm
Two riders were approaching				
Bbm	G#	F#	G#	Bbm
And the wind began to howl				
Bbm	G#	F#	G#	Bbm
All along the watchtower				
Bbm	G#	F#	G#	Bbm
All along the watchtower				
Bbm	G#	F#	G#	Bbm
All along the watchtower				

Enjoy!
