

All Along The Watchtower
Bryan Ferry

Written by Bob Dylan. This is legend, Bryan Ferry s version.

G#m	F#	E	F#	G#m
There must be some kind of way out of here				
G#m	F#	E	F#	G#m
Said the joker to the thief				
G#m	F#	E	F#	G#m
There s too much confusion				
G#m	F#	E	F#	G#m
I can t get no relief				
G#m	F#	E	F#	G#m
Business men they drink my wine				
G#m	F#	E	F#	G#m
Plow men dig my earth				
G#m	F#	E	F#	G#m
None of them along the line				
G#m	F#	E	F#	G#m
Know what any of it is worth				
G#m	F#	E	F#	G#m
No reason to get excited				
G#m	F#	E	F#	G#m
The thief he kindly spoke				
G#m	F#	E	F#	G#m
There are many here among us				
G#m	F#	E	F#	G#m
Who feel that life is but a joke				
G#m	F#	E	F#	G#m
But you and I we ve been through that				
G#m	F#	E	F#	G#m
And this is not our fate				
G#m	F#	E	F#	G#m
So let us stop talking falsely now				
G#m	F#	E	F#	G#m
The hour s getting late				
G#m	F#	E	F#	G#m
All along the watchtower				
G#m	F#	E	F#	G#m
Princess kept the view				
G#m	F#	E	F#	G#m
While all the women came and went				
G#m	F#	E	F#	G#m
Barefoot servants too				
G#m	F#	E	F#	G#m
Outside in the cold distance				
G#m	F#	E	F#	G#m
A wildcat did growl				

G#m	F#	E	F#	G#m
Two riders were approaching				
G#m	F#	E	F#	G#m
And the wind began to howl				
G#m	F#	E	F#	G#m
All along the watchtower				
G#m	F#	E	F#	G#m
All along the watchtower				
G#m	F#	E	F#	G#m
All along the watchtower				

Enjoy!
