

All I Want Is You
Bryan Ferry

Eb

G#

Somebody told me

F#

Just the other day

C#

That you re leaving me

Eb

We re through

Well if you knew

How it hurt me so

Then you d changed your mind

I m sure

Don t want to hear

What s going on

I don t care

What s new

G#

Don t want to know

F#

About anything

C# G#

Cos all I want

C#

Is you

Bbm

F

Going out with other girls

Bbm

G#

Was always such a bore

Bbm

F#

But since I fell in love with you

C#

Eb

I need you more and more

Don t want to know

About one-night-stands

Cut-price souvenirs

All I want is

The real thing

And a night that lasts

For years.

If you ever change your mind

I ve a certain cure

An old refrain, it lingers on
L amour, toujours l amour...

Don t want to learn
About etiquette
From glossy magazines
Why should I try
To talk correct
Like they do
In other scenes
Say no more about imagery
You re starting to confuse
Just make an offer
Of more romance
Of course I can t refuse
All I want is you
Oo oo I m all cracked up on you.
