Must ride like the storm
Can t let go
Will I run out of control tonight
Can t let go
Until every trace is gone

It s a winding road from Cuesta way
Down sunset to the beach
Though Canoga Park is a straight safe drive
It s too far outta reach
But now the headlights are flashin by so fast
All directions seems the same
And the windscreen wipers keep a beat repeatin
You can t let go again

All in the dark and afraid tonight

Nowhere to run or to hide

Bb **G** **Bb G Bb** as chorus (**Am G F ...**)

Am **Dm**
Sometimes the world outside'll take you in with just a smile

G **F**
And you so blinded with desire

Wasted and so cold

G **F**
But I can take it I'm hangin' on

Can't let go
There's a madness in my soul tonight
Can't let go
Must ride it like the storm
Can't let go
Will I run out of control tonight
Can't let go
Until every trace is gone
