Cant Let Go
Bryan Ferry

Intro: **Bbm**

      Bbm
Well I rush out blazin my pulse is racin
       Ebm
As the rain streams down my face
        G#
There s no turning back now to fight with fate
   F#
Outnumbered n out of place
     Bbm
They said go west young man, that s best
      Ebm
It s there you ll feel no pain
    G#
Bel-Air s okay if you dig the grave
      F#
But I want to live again

       Bbm
Can t let go
       G#   **F#**
There s a madness in my soul tonight
Can t let go
Must ride like the storm
Can t let go
Will I run out of control tonight
Can t let go
Until every trace is gone

It s a winding road from Cuesta way
Down sunset to the beach
Though Canoga Park is a straight safe drive
It s too far outta reach
But now the headlights are flashin by so fast
All directions seems the same
And the windscreen wipers keep a beat repeatin
You can t let go again

  C#   **G#**   **F#**
What s in a name on the street tonight
   C#   **G#**   **F#**
I m only a face in the crowd
C#   **F#**   **G#**
All in the dark and afraid tonight
 C#   **B**   **G#**
Nowhere to run or to hide

```
         B           G#    B G#   B                    as chorus (Bbm   G#   F# ...)
But I can t let go         no no no no

 Bbm                                                Ebm
Sometimes the world outside ll take you in with just a smile
G#                               F#
And you so blinded with desire
    Bbm
A hundred sleepless nights have left me
 Ebm
Wasted and so cold
G#                                      F#
But I can take it I m hangin  on

Can t let go
There s a madness in my soul tonight
Can t let go
Must ride it like the storm
Can t let go
Will I run out of control tonight
Can t let go
Until every trace is gone
